2. Cover is a benefit under the group policy. The Company does not pay claims directly. All claims are decided by the Insurer through the TPA.
3. Each employee must keep nominee and dependent details correct in the HRMS.

3. Group Health Insurance [ALL EMPLOYEES]

3.1 Sum Insured by Level

The Company pays the full premium for the employee, spouse and up to 2 children. The sum insured is a family floater.

Level	Family Floater Sum Insured	Annual Health Check-up
L1 to L2 (Associate)	INR 4,00,000	INR 3,000
L3 to L4 (Senior)	INR 5,00,000	INR 3,000

Level	Family Floater Sum Insured	Annual Health Check-up
L5 to L6 (Lead/Manager)	INR 8,00,000	INR 5,000

3.2 Who Can Be Covered

Employee	From date of joining	Yes
Spouse	Legally married spouse	Yes
Children	Up to 2 unmarried, financially dependent children, from birth up to 25 years of age	Yes
Third child	Unmarried dependent child, same age rule	No. INR 6,500 per year, paid by the employee
Parents or parents-in-law	Maximum 2 persons, either both parents or both parents-in-law, or one of each, in a separate floater	No. See Section 3.4
Child with a disability	No age limit, with a disability certificate	Yes, within the 2-child limit

Siblings, live-in partners, grandparents and other relatives are not covered.

3.3 What Is Covered

Item	Coverage
In-patient hospitalisation (24 hours or more)	Covered within the sum insured
Day-care procedures	All procedures that need less than 24 hours of stay

Mental health	Covered as in-patient treatment as per the Mental Healthcare Act, 2017
Cataract	Up to INR 40,000 per eye
Restoration of sum insured	Restored once per Policy Year if exhausted, for a different illness only

Room rent above the limit means that all other charges are reduced in the same proportion. The employee pays the difference.

3.4 Parents and Parents-in-law Cover

The parents' floater is voluntary. The sum insured is INR 3,00,000 or INR 5,00,000, chosen by the employee. The annual premium depends on the age of the eldest person covered and is deducted from salary in equal monthly instalments.

Age of Eldest Person	Annual Premium for INR 3,00,000	Annual Premium for INR 5,00,000
Up to 60 years	INR 16,000	INR 22,000
61 to 70 years	INR 26,000	INR 36,000
71 to 80 years	INR 38,000	INR 52,000

Parents can be added only at the time of joining (within 30 days) or during open enrolment (Section 8.2). Premium amounts include GST and may change at renewal. HR will announce any change by 30 November.

4. Maternity Cover and Waiting Periods [ALL EMPLOYEES]

4.1 Maternity Benefit Limits

Maternity cover is available to a female employee or to the spouse of a male employee, for the first two deliveries only. It is included in the family floater.

Level	Normal Delivery	Caesarean Delivery
L1 to L4	INR 50,000	INR 75,000
L5 and above	INR 60,000	INR 90,000

4.2 Waiting Periods

1. **Employee:** No waiting period. Maternity cover starts from the date of joining.
2. **Spouse:** A waiting period of **9 months** applies from the date the spouse is added to the policy. The waiting period is waived if the spouse was added within 30 days of the employee's joining and had continuous maternity-eligible group cover with the previous employer (proof needed).
3. Delivery that happens during the waiting period is not covered, except in an emergency caused by an accident or a life-threatening complication, which is paid under normal hospitalisation cover.

4.3 Other Maternity Rules

- Pre-natal and post-natal expenses are included in the limits above.
- Complications of pregnancy are covered under normal hospitalisation cover, within the sum insured, and are **not** subject to the limit in 4.1.
- A newborn child is covered from the day of birth for 90 days. The child must be added in the HRMS within **30 days of birth** (see Section 8.3) for the cover to continue.
- Infertility treatment, IVF and surrogacy expenses are excluded (see Section 10).
- Maternity Leave is a separate benefit. Refer to the Leave Policy (NT-HR-POL-001), Section 3.4.

5. Pre-Existing Disease Rules [ALL EMPLOYEES]

5.1 Employee, Spouse and Children

- Pre-existing diseases are covered from **Day 1** if the member is enrolled within 30 days of joining, 30 days of marriage, or 30 days of birth or adoption.

- If a spouse or child is added after these windows (for example, in open enrolment without a QLE), a **24-month** waiting period applies for PEDs of that member.

5.2 Parents and Parents-in-law

Waiting Period	Duration
Initial waiting period for any illness (accidents are exempt)	30 days
Specific illnesses such as hernia, joint replacement, cataract, kidney stones and hysterectomy	12 months
Pre-existing diseases	24 months

The waiting periods are reduced by the period of continuous health cover with a previous insurer, if the employee gives proof at the time of enrolment.

5.3 Disclosure

The employee must truthfully disclose all known medical conditions of every member in the enrolment form. If the Insurer finds that a material fact was hidden, the Insurer may reject the claim. Wrong disclosure is also a violation of the Code of Conduct Policy (NT-HR-POL-003), Section 7.
